

# 8 Nights of Chanukah at the WJC!

What a joy it was last year to discover that, thanks to Zoom, we could be together to light our menorahs every single night of Chanukah. It was quite beautiful and meaningful to share the holiday in this way. We will be doing that again this year, gathering on Zoom at 6:30pm every evening, sharing stories, songs and memories together. Join us any or all evenings.

But this year, we also get to enjoy the added bonus of some opportunities to light together in person!
